Yes! It just came through, I will be shipping very soon and will give you a tracking number .

Thanks again for your patience.

Ting, please ship it asap, it will take another 10 days to come to Europe. I wanted to have it before the end of July here in Vienna.

Thanks,
Ivan

Ivan I sent you a pm Tuesday, I don't know why it didn't go out. I already shipped it using usps parcel service but it doesn't have international tracking. With tracking it's \$150+ to send overseas by weight. You should be getting it sometime mid next week.
